Helping us deliver our services

Before providing this Discretionary investment management service, we need to confirm the Member's instructions as to the Risk Category of portfolio management that should be applied to this account and within which we will manage the associated investments. This form has also been designed to provide us with certain background information and, as a consequence, will help us deliver our services. Before completing this form, the Intermediary (appointed advisor) should undertake an assessment of the suitability of RBC Brewin Dolphin's services for the Pension Trust Member.

Thank you for taking the time to complete and return this form to us. If you have any questions while completing the form your RBC Brewin Dolphin Business Development Manager or Investment Manager will be pleased to help.

This account opening form may be used for Discretionary Managed accounts only.
